

Enable  **Erasmus+**

Conference in Luxembourg

Co-Production

Develop, offer and evaluate services together with the users.

Co-Production: How does it work?

To be discovered together with partners of the Enable project.

Where? Luxembourg-City

When? Thursday 11th May 2017 afternoon

The partners of the Enable Project will present how families, professionals and people with learning disabilities can work together to build up new services. And how they can share their experience.
